

"The Floodgates Have Opened" - Sananda

"Sananda" and "One Who Serves" channeled by James McConnell

(Note: these messages were given during our 3rd Wed of the month Ancient Awakenings joint call with Hollow Earth Network over Blog Talk Radio on July 20, 2016) also note, the question/answer part is omitted from this transcription but the audio can be found at our ancientawakenings.org website or HEN's website.

"Sananda"

Yes, this is "Sananda". Quite an auspicious time we are entering in these moments. Many things in the works. Many things are changing. Many things behind the scenes as always.

We know that you are waiting patiently, and some not so patiently, for these things to develop. To be able to see with your own eyes and hear with your ears the actions that are actually happening. That many of the things that we have spoken about are real. And that the dominoes we have spoken about are real and are really going to fall. I can assure you now that is the case.

It is not happening on your time table and it is even somewhat not happening on our time table. It is happening according to the God Source, Prime Creator. As we patiently wait and look toward those many things that are going to be altered as a result of all that is happening. If you look closely you will see many things that are changing.

All you need to do is to look at the various announcements that have come out. Look at the Cabal that is in the throes of being defeated here now. Watch for announcements of arrests that are coming. Not that they have happened yet, although many have. The ones that you are looking for have not yet happened because it is not yet time. It is all in the works.

The floodgates have opened and it is only a matter of waiting a little longer and the frequencies rising a

little higher so that these things that have spoken of, been prophesied of, will occur. So as you have heard many times, be of good cheer. Sit back and be ready to enjoy the show. Many things are about to happen. When it does there will be no question in your minds any longer whether this is real or not. Whether this is a

figment of your imagination or not.

You will know that you have come at a very auspicious time in your evolution. There will be no question when the first of these dominoes begins to fall. I should say the larger dominoes fall for several already have. The exit of Great Britain was a domino that fell. And it set off a reverberation effect of many other countries to leave the European Union. This is but a small portion of all that is yet to come. It is a catalyst that triggered many things to follow after that.

Eventually in the not too far off future, you will have the "Event". You will have that great galactic energy come from the Galactic Central Sun. It will create a consciousness shift across the entire planet.

So, wait a little bit more. Be a little more patient. Everything is about to shift. It is already in the shifting process now. You, yourselves, can look within. Just the last two or three years look at the changes within you. Remember, so within, so without. The changes that happen within you extend outside and change the exterior as well.

I leave you now as "Sananda". Know that I am always with you. I have been and always will be with you. Call on me when you and call on those who work alongside of me.

I am "Sananda". All of my peace and love be with all of you.

"One Who Serves" (number one)

Greetings. "One Who Serves" here prepared to answer questions with "Ashira" who is also standing by.

As "Sananda" has said there are changes coming. As "Arch Angel Michael" has said there are changes. And "St. Germain" and "Ashtar" and all the gang, you might say are waiting for the go signal. When it comes it will create a whirlwind that will come through this. All will be set in motion.

Imagine, if you would, all those ships out there and all those within those ships. The signal has been given and all are happy. Finally they can finish this that they came here for. And finally you can finish what you came here for. It was thousands and thousands of years ago that you came for. You came to help free mankind here and free yourselves at this same time. There is no stopping this now. Isn't there a song about this?

There is no stopping us now. No stopping you now. You are ready for these energies entering the planet. Things are going to get rocky here but not for those of you who have been preparing for this. Your frequency vibrations are up. Your consciousness is up and because of all this work you will be in a better position to handle the energies that will come flooding into the planet.

Those who have not been prepared may have some difficulties but guess what? That is where you come in. That is why you came here, to assist in this process.

I did say I did not expect a message but I guess I gave one anyway here.

“One Who Serves”—two

Another “One Who Serves” jumping in. You have saying, “The early bird catches the worm”? So if you have a question call earlier and get it in and get it done!

I am here briefly to prepare you for the ties to com for what is ahead here. On August 7th we have the joint call again and there will be a few things that happen between here and there. There will be much that can be discussed and will be discussed there.

“Sananda” will be present as well as another guest through James and Susan, does not know it yet, but she will also be bringing forth a guest. So, sit back and enjoy the show. Everything is in a shifting process. You are going to continue to shift through this process. Shift happens, do they not?

That is all. Sayonara and all those sayings of goodbye.

Shanti. Peace be with you. Be the One.
